

Fall 2008

Dear Coach or Program Director,

It's that time of year again! This Thanksgiving weekend, we will be celebrating our 11th Annual Warrington-Warwick Warm-Up Tournament for girl's community travel basketball teams. It is shaping up to be the biggest, and best, tournament in its 11 year history, and we hope that your team or organization will be able to participate. Last year we had a record 64 teams representing 25 different community travel organizations in attendance. It has grown substantially from the 14 teams representing 7 community travel organizations that attended our inaugural tournament 11 years ago at Delaware Valley College. If you have participated in the past, we thank you for helping make the tournament the success it has become, and look forward to seeing you again this year. If you haven't participated in our tournament in the past, please consider entering to see what your girls have been missing.

Please see the enclosed information for tournament details. We have a limited number of spots available for this tournament, so it is important to return the enclosed form as soon as possible to guarantee a spot. If you are not coaching a team, involved in girls basketball, or able to participate this year, please pass this information along to someone you know that could use it. This tournament is a must for those coaches wanting to get their teams on the floor and evaluate what they have in a competitive atmosphere before their regular season begins. There is a 3 game guarantee, with a 4th/championship game for teams coming out of their pool. We will be utilizing great facilities in the Central Bucks School District.

If you want to participate this year, and can't send payment immediately, please contact me to reserve a spot, and I will hold it for you until 11/1, when payment is due. I expect that there will be waiting lists for certain age divisions, as in the past, and I cannot guarantee any availability after that date. I will also work with you on scheduling issues if there are conflicts for your team on this holiday weekend.

Hope to see you with us this Thanksgiving weekend!

For the 11th Annual Warrington-Warwick Warm-Up Tournament,

Kevin McGowan
Tournament Director
